

Find Doctors You 'Click' With

Use www.gabchealth.org to get the care you need in just a few mouse clicks.

1. From the [gabchealth.org](http://www.gabchealth.org) home page, click on the **Physician Search** link.
2. Next, click on the **OneNet** link to enter the directory of covered providers.
3. Enter your plan type (medical, dental*, MAPSI behavioral/mental health).
If your plan includes dental coverage, you can also use the **Dental Provider Search.*
4. Type in the kind of service you need (hospital or healthcare provider).
5. Plug in your zip code and specialist type, for a listing of physicians or treatment centers nearby.
Call GABC if there are no listed doctors/specialists in your area.
