

With GABC, You're **Close** to Feeling Better

When you're sick, the last thing you need is to drive around looking for a pharmacy that accepts your insurance. That's why GABC uses ExpressScripts to manage Prescription Benefits. ExpressScripts is accepted at most major drugstores, like the ones close to you. Go to gabchealth.org or call the office for a list of participating chains.

It's easy to use your ExpressScripts card:

1. Present your prescription and your ExpressScripts card to a participating pharmacist. More than 50,000 drugstores and pharmacies participate nationwide.
2. Pay the co-pay as per your Plan summary. No forms to complete, no delays receiving your prescription.

Graphic Arts
Benefit Corporation

Plus, with ExpressScripts you can also track your prescription history, order refills online, arrange mail order service for drugs you take regularly, and more. Now that's a prescription plan to feel good about!

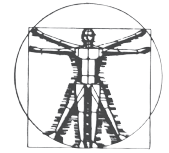

Graphic Arts Benefit Corporation (GABC) • 800-469-1673 / FAX: 301-474-3197
