

# You Shouldn't Need A Bloodhound to Find A Lab

Locate local medical centers on [www.gabchealth.org](http://www.gabchealth.org).

Some healthplans make finding a place to have blood tests or other procedures done a real challenge. But with GABC, you can connect with nearby labs, hospitals, or other medical centers in minutes.

## To Find A Lab on GABCHealth.org:

- Step 1: Click on the **Physician Search** link on the left of the home page.
- Step 2: Click on the **OneNet PPO link**. (You can also go direct to [onenetppo.com](http://onenetppo.com).)
- Step 3: Enter OneNet PPO, LLC as your Plan type, and Hospital/Other Facilities as your Search type, then click continue.
- Step 4: Enter your zip code or the facility name and choose Laboratories (or the type of facility you need) to get contact information for the center closest to you.

GABC: Making healthcare dog-gone easy!

Call a Customer Service Representative if you need assistance.
