

Easier. Faster. Better. More.

Check out the new and improved GABCHealth.org website

When you log on to GABCHealth.org, you are minutes away from the information you need. With just a few clicks you can find a physician, dentist, hospital or pharmacy; download insurance forms; review your plan benefits; and find health tips and tools with our online newsletter or health resources link.

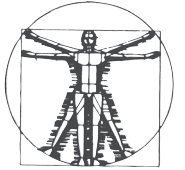

A few of the specific site updates include:

- One click to log in with your 4-digit company suffix for employer administrative assistance
- Two clicks to download individual vision, dental, or medical claim forms
- Step-by-step explanation for filling prescriptions, along with posted 800# for further aid
- Direct link with icon to access NurseLine for 24/7 medical guidance
