

On Call & Now Online: NurseLink Launches Live Chat

Now on GABCHealth.org—Live Link to NurseLine!

Get instant answers to your medical concerns any time when you contact a Registered Nurse through GABC's NurseLink. This service, a benefit of all GABC Health Plans, is available through a phone call or a new "chat format" that lets patients ask questions and get real-time answers online from a trained medical professional.

24 hours a day, 7 days a week, NurseLine nurses are available to:

- Direct patients to other on-line resources for guidance about a diagnosis
- Recommend proper treatment, whether its an ER visit or at home remedies
- Help individuals find nearby in-network providers
- Offer comfort and reassurance when you need it, whether that's Noon or 2:00am
